

# Terms of Use for Exams in the Computer pool room (en)

[Zur deutschen Version wechseln](#)

The general terms of use for the computer pool room are binding and must be followed. Additionally, the following applies to exams in the computer pool room:

## Regulations

- The use of personal hardware or software is prohibited.
- Water is allowed in all computer pool rooms. The water must be in a transparent, sealable bottle.
- The consumption of food is only permitted outside the computer pool rooms.
- The exam supervisors may grant additional time, provided there are no problems caused by the candidate.
- Violations of these rules or the terms of use for the respective exam rooms may be considered an attempt to cheat and could result in subsequent exclusion from the exam.

## Scope of Application

- These terms of use apply only during the exam.
- These terms of use begin with the start of the exam and end when you leave the exam.
- The terms of use are individually agreed upon for the respective exam.

## Basic Provisions

In addition to the general terms of use, the following terms apply to exams in the computer pool room:

- The general terms of use for the exam room
- The terms of use for the software being used, specifically:
  - Moodle
  - Safe Exam Browser
