

# Terms of Use Examination in Remote Supervision with SMOWL (en)

[Zur deutschen Version wechseln](#)

## Regulations

- Registration with SMOWL is required.
- SMOWL must be installed, set up, and tested in advance.
- You are responsible for the functionality of the device and software.
- The exam supervisors may grant additional time, provided there are no problems caused by the candidate.

## Scope of Application

- These terms of use apply only during the exam.
- These terms of use begin with the start of the exam and end when you leave the exam.
- The terms of use are individually agreed upon for the respective exam.

**Basic Provisions** In addition to the general terms of use, the following terms apply to exams in remote supervision:

- The general terms of use for the exam room
- The terms of use for the software being used, specifically:
  - Moodle
  - SMOWL
  - Safe Exam Browser (can be ordered in addition to SMOWL)
